

*Yes!* I want to reach out to my neighbors in Latin America and the Caribbean who have little or no access to health care. I support Global Health Ministry's efforts to recruit volunteer doctors, nurses and therapists for missions to remote and distressed settings. My gift will help provide much needed health care, surgical care, educational and training programs and much more.

I understand that gifts to Global Health Ministry are tax-deductible to the fullest extent of the law. Global Health Ministry is a non-profit, 501(c)3 organization registered in Pennsylvania. (Federal Tax ID number is 42-1253527.)
